

Multiple Solutions. One Provider.

Innovative Agency Tools

StoneRiver – FSC has been supporting insurance professionals for nearly 30 years with a variety of agency and carrier software products including personal and commercial lines comparative rating and agency management systems. We are an industry leader in insurance software with thousands of clients nationwide including Independent Agents, General Agencies and Insurance Companies.

WebFSC

Convert visitors to your website to leads! Using WebFSC, you can gather leads and provide interactive quoting directly on your web site. Using the same powerful rating technology from FSC Rater™, prospects visiting your web site will receive comparative auto and home

quotes – with the same look and feel of your own site. Customer leads can be imported into FSC Rater for complete quoting and bridging.

- Simple setup and configuration process
- Easy to use workflow
- Available in both English and Spanish
- No maintenance needed

FSC Rater

FSC is the comparative rating solution of choice in thousands of agencies nationwide. In addition to providing accurate rates for hundreds of personal lines carriers, FSC Rater is easy to use and incorporates powerful automation and data validation features. After quoting, you have access to hundreds of carrier point-of-sale systems and integration with multiple agency management systems and carrier software.

- The “FSC Rate Guarantee”
- Address verification, VIN lookup and commute calculation
- Electronic MVR integration
- Automatic tiering / underwriting
- Agency management system integration
- Carrier specific and ISO symbols
- Integrated ACORD forms library and company specific applications
- Commission/fee reports
- Quote Letters, Marketing Letters and Label Generation

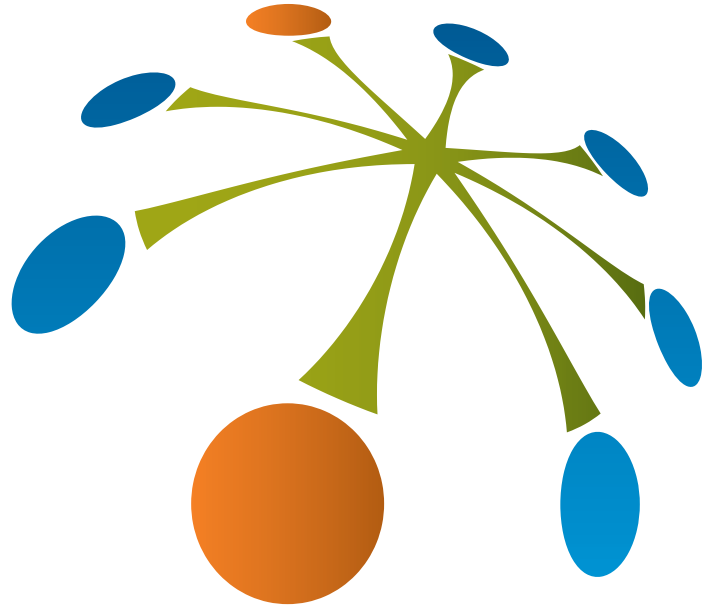

The HUB

Powered by SeaPass solutions, The HUB provides real-time Commercial quoting. Enter data once, and The HUB will provide comparative quotes for both multiple carriers and multiple lines of business. Quote Workers' Compensation, BOP, Commercial Auto and Umbrella with some of the most competitive Commercial carriers in the industry. Featuring an easy, streamlined workflow, The HUB integrates with the most popular agency management systems, making it easy to quote new business and remarket your existing accounts.

- Multiple carrier quotes with one workflow
- Reports to track customer quotes and activity
- Improves closing ratio
- Increases agency revenue
- Reduces quoting time and expense
- Mitigate E & O exposure

About StoneRiver – FSC
